

Ghost Gum Farm and Sustainability Alliance FNQ proudly presents

# PERMACULTURE DESIGN COURSE 2013

Permaculture uses ecological principles to design sustainable human communities that are harmoniously woven into the environment. The course aims to provide you with the tools needed to create and practise sustainable solutions for food, water and energy security. This life changing learning adventure gives participants diverse knowledge and practical skills within a cohesive design framework to radically empower their lives and effect change in their region.

DATE: SEP 30 – OCT 13

VENUE: Ghost Gum Farm, Rossville  
Far North Queensland

PRICE (2 week course, food, camping): \$1500  
(\*earlybird discount \$1200 before July 1)
